To Parents July 16, Deadline For Applications By School Students

Parents of Palm Beach County pupil school children are reminded that in order for Applications for Pupil Assignment to be properly processed by the Superintendent's office, and plans made for the opening of school, it is necessary that all Applications for the 1962-63 school year, beginning in September, 1962, be filed at the office of the Superintendent of Public Instruction, 301 North Olive Avenue, West Palm Beach, Florida, on or before July 16, 1962.

"Midway Between The Cities" "With Professional Guidance"

The Combined Board of the NW and SW Hospital Districts in a formal release that "The exact location has not been officially selected by the combined board. Final Selection will be made, however, with the professional guidance of architects engineers and the hospital consultant pending engineering surveys, feasibility test borings and cost studies."

The same release says, "and be located midway between the cities of Belle Glade and Pahokee."

Mr. Tracy E. Hare of Miami, a private hospital consultant who was formerly Administrator of Variety Children's Hospital, has been employed, according to the announcement, by Irani and Associates, as consultant, and "to consult with the combined board as well as on the joint hospital."

Mr. Hare's professional pre-

paration is listed "spent 24 years in hospital work and was a Bachelor of Science in Hospital Administration from Northwestern University; membership in professional organizations is listed, and "He is a member of the board of directors of Blue Cross of Florida."

His professional engagements as consultant include a dozen or more South Florida hospitals of varying sizes and purposes. Mr. Hare's "four points as criteria for accreditation which would be initiated with a new joint hospital facility are:

1. Safe, efficient physical plant."
2. Proper Administration."
3. Proper medical care of patients, and"
4. Other requirements having to do with reporting and documentation for the control of medical care."

Belle Glade's First Fall-Out Shelter

Mr. and Mrs. N. B. Willis and Sonny, shown with the foundation and walls of what is expected to be the Community's first fall-out shelter. "The shelter is being built by government 'specs' says N. B. Willis.

It will be noted that the walls are made of two eight-inch concrete block walls with a 20" space to be filled with sand."

As the shelter progresses more information will be given the public as to its construction and its cost.

and across the bridge, down Main St. to McDonald Park drawing cheers from enthusiastic onlookers. The head float (in picture) was decorated by Demolay and Rainbows with the Liberty Bell made by Glenn Bair, Demolay. A best color float with red, white and blue streamers filled with Girl Scouts, cars decorated for the event, also a new Buick Wildcat drew much attention. Special attractions included a small pony drawing a cart, with Larry Flock as driver and an old fashioned Surrey operated by Gary Remondino with Mary Christine Roth as passenger.

The program in the park took place immediately after the parade with Cathy White, past worthy advisor of Rainbows giving the invocation followed by raising of the flag by Boys and Girl Scouts during the singing of the "Star Spangled Banner."

R. J. Allen, Jr., heading the activities for the Demolay introduced Mr. Al C. Avery, well known Delray Beach Commissioner and public speaker. The World War I Veteran, a former boy scout, past master councilor

Growing Business New Businesses Are Building

New businesses come in and old ones are making room for expansions in the Glades. Seminole Life Insurance has moved into a new building on Avenue E next door to the Harris Insurance Agency, where there is room for further expansion, even into a second floor.

Across the street the former building of the Christian Science Church has been replaced by a handsome new home, and the other building made into an office for Brooks Travel Service.

The small reading room has also been converted and is being used as an office.

On First street a new building is being built to house a parts and supply warehouse, it is said.

Florida Power and Light is building a warehouse and storage on the west side of the railroad on the north side of Avenue A. Supplies and storage for trucks and equipment working the south end of the Glades will be headquartered in the new building.

Lake Okechobee Waterway Committee members from all districts, including the one attending a planning meeting Tuesday night at Clewiston Inn.

From Belle Glade and joining the discussion of improving the cross state waterway between Ft. Myers and Stuart were Port Chairman Avery Bass, City Manager Royce W. Owens, C. and C. president Bob Lee, and chief Charles Goodlett.

Charles Goodlett was elected treasurer of the committee who are spurring the improvement of the inter-state waterway to encourage commercial use as well as accommodate pleasure craft.

\$7 Million-Plus Increased Deposits For This Year Recorded By Our Three Glades Financial Institutions

Near \$2 Million Increase Deposits For Fla. National

Florida National Bank, reports their June 30, 1962 statement shows a near two million increase deposits over the last year's figures. Requested for this period totaled \$6,528,149.30 as against last year's figure of \$4,534,155.83.

Loans showed a sizeable increase, from \$972,000 last year to \$2,053,000 this year. Russell E. Tucker, vice-president and cashier, reported a volume increase in new business for their bank, citing capital accounts this year at \$437,000 against \$397,000 last year, or a total gain of \$40,000.

"I would attribute the whole increase in activity to the effect of the sugar industry here," Russ said, adding that their number of checking accounts have increased substantially necessitating the addition of three new employees so far. Further information on Belle Glade's Florida National operation will be reflected in their statement, forthcoming in next week's issue of THE HERALD.

'Welcome Home' Barbecue, Celebration For National Guard Scheduled Aug. 11

A meeting at the Belle Glade Chamber of Commerce was held Monday night, July 8, for the purpose of planning the welcome home barbecue for the National Guard Unit, which will be returned from active duty around August 1st.

Representatives from South Boy, Pahokee, Belle Glade and Clewiston attended and established the date of August 11th as the day for the Homecoming luncheon.

Chairman, Bob Lee, appointed representatives to handle the various phases of the program. Responsibility of preparing a barbecue for all who will come has been assigned to Avery Bass and Police Chief Charles Goodlett. L. L. Price will arrange through Civic Clubs around the lake, for people to serve an anticipated crowd of 2,000. The program of public relations is being handled by George Riddle, the Jaycees President and Ed Jensen, Pahokee Postmaster. Bob Lee will coordinate the program to take place at the Armory on August 11, where the program will be held.

"We want to see a good turnout from all our Glades folks to let our boys know assuredly by their presence, that we sincerely appreciate the personal sacrifice they have made," Lee said. He also stated that VIPs of the National Guard Unit such as ours have played an important role during their recent call to active duty.

Mark your calendar and plan to attend one of the biggest celebrations that has ever been held in the Glades — August week-end, until Mrs. Johnson's health permits her return.

Draft Board Clerk On Extended Leave

Mr. Anne Johnson, clerk of the Selective Service Board, is taking a leave of absence from her duties. Mr. Winnie Paul of Lake Harbor is in charge of the office for the next several weeks, or until Mrs. Johnson's health permits her return.

Enviably Record Of Bank Of Pahokee Excess Of \$3 Million Increase For 1962

The financial statement for the Bank of Pahokee published in THE HERALD today reflects over ten million dollars on deposit, an increase of 3 million plus dollars over last year's report.

"This is the best year the Glades has ever known," president Rupert Mook, whose association with the Pahokee bank dates back to 1931, said.

The impact of the sugar industry entering the area has made a sizeable contribution to Glades economy, most of the increase can be attributed to an excellent farming year for the area, he said.

The Bank of Pahokee holds the enviable reputation of "The Oldest Bank in Palm Beach County," this title earned for the survival during the 1925-26 real estate boom years when all other banks in Palm Beach County went broke. Under the guiding hand of E. G. Kilpatrick, Jr., termed an "ultra conservative" banker, this bank weathered the storm.

Chartered over 40 years ago they have enjoyed five decades of financial success, closely teamed to the farming and business development of the area.

They have well over a million dollars loaned to growers and business men of the Glades; they are keeping nearly two million cash on hand for summer withdrawals.

Strength of the bank is further shown in the following figures taken from the recent report made to the State Comptroller on June 30, 1962.

Capital Stock	\$100,000.00
Surplus	250,000.00
Undivided	
Profits	143,725.51
Deposits	10,949,689.91

Believing that money invested in United States Bonds is as safe as 'old wheat in the mill' the managements has more than \$7,500,000, in that particular kind of security.

Rupert Mook heads the organization along with the balance of the staff for courteous, efficient and capable management Vice President, Martha McIntosh, Cashier, Gene McInnes and assistant Cashier, Frank Gillis assure the institution a continued and steady growth.

Combined resources of the three Glades financial institutions reflect Glades economy at an all time high with a grand total as of June 30, 1962 of \$34,672,394.70.

Although this is the time of year Glades banking institutions loans are normally at a low, following the harvest season, this year's record crops and excellent prices reduced the record by more by the pay-out of many farmers who have "been sweating it out" for the past years.

"Money in the Bank" is the local trend; savings are up and most folks are smiling their good fortune.

Deposits for the combined three institutions totaled \$31,346,075.11, as against last year's figure of \$24,333,964.46, or an increase for the first six months of this year of well over \$7 million against the same period for 1961.

Qualification Date July 13-August 2 2 Commission Seats

Tomorrow, July 13, is the opening date for candidates to file for a seat on the Belle Glade City Commission, City Clerk Vera Jones announced this week. Terms of Commissioner Bill Evans in Northboro, and Palmer January in Centralboro will expire. Neither commissioner has as yet announced his candidacy for re-election.

Final date for filing is August 22, 4:30 p. m. Last week's Herald erroneously reported an August 31st deadline.

Special Field Events Winners Named

Rain — Slippery Road

37 Injured In Greyhound Bus Accident Monday

A Greyhound bus loaded with 37 West Indian laborers en route to Miami overturned in a roadside ditch on US 27 three miles east of Clewiston Monday afternoon about 2:30. There were no fatalities and only four men received injuries termed serious though none escaped without their share of bruises and lacerations.

Rain was falling and the road was of the type which the State Road Department posted as "Slippery When Wet." Wolf said the bus started slipping sideways and he was unable to stop it. It left the pavement on the right side of the highway over-turned on its left side, making a three-fourth turn as it came to rest upright in the bottom of the ditch.

The charter bus was transporting the men to Miami to work on the new canal there being from Jamaica and Barbados. They had been employed in citrus groves in the Winter Haven and Orlando area. Highway Trooper David Tom-

linson, who investigated the accident was assisted by Trooper Ray Brown, LaBelle, Trooper Jack Bent, Miss Haven, Trooper Joe Monroe, Belle Glade, Lt. Howell Gillett Florida Highway Patrol; Hendry County Sheriff Earl Dyess, Deputies Calvin Swindle and Leslie Carlton, and members of the Clewiston Police Department.

The injured men were brought to Hendry General Hospital, where many were treated after first aid. The bus company sent another bus to take them on to Miami to be regained in the Clewiston hospitals, but only the four received serious injuries, according to reports of physicians.

San Francisco - Super Shell with Platformate has just delivered a mileage bonus of 4.33 percent. Platformate is Super Shell's mileage ingredient. Shell engineers test Super Shell for mileage in many different types of cars, in many different places. Here's how the test above was run. Exactly 250 cc (about half a pint) of a fuel blended without Platformate was fed into the test car's engine. The car was started, accelerated to 30 miles per hour, then held there until fuel ran out and the car rolled to a stop. Distance: 6186 feet (indicated by dotted line in background). Next, test was repeated, using Super Shell - the same fuel as before but with Platformate added. Precise same volume of fuel. Same car. Same speed. Same driver. Same conditions. Distance: 6454 feet. That's 4.33 percent farther than the car traveled with non-Platformate gasoline.

MILEAGE TEST

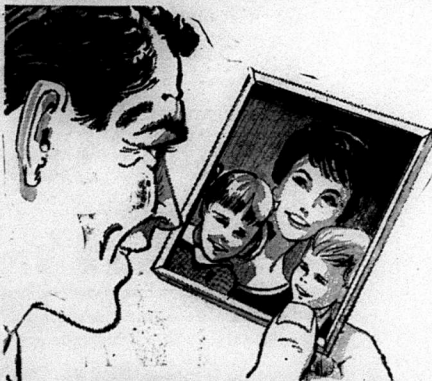

New documented tests prove that one of Super Shell's 9 ingredients packs extra mileage into every gallon

THE picture above was snapped a few moments after Super Shell with an extra mileage ingredient called Platformate delivered a mileage bonus of 4.33 percent. That's a typical result from a series of mileage tests Shell engineers recently ran on the outskirts of San Francisco. The tests compared two gasoline. One was a gasoline Shell scientists purposely blended without Platformate. The other was Super Shell - the same gasoline as before but with Platformate added. Shell engineers used a 1962 convertible for the tests. You may be driving a similar car right now. In test after test, Super Shell with Platformate consistently took the car about 4 percent farther than the gasoline blended without Platformate. NOTE: For more details on these tests, see caption under picture. And for technical data, write to the Shell Oil Company, 50 West 50 Street, New York 20, N. Y.

Platformate gets its name from the platinum re-forming process used to make it. Pressures up to 600 pounds per square inch and temperatures up to 1000 degrees literally tear petroleum apart. A precious platinum catalyst then helps re-form the petroleum into super-energy components. RESULT: Platformate can release more energy per gallon than the finest 100-octane aviation gasoline. Your engine can convert extra energy into extra mileage. Super Shell has 9 ingredients for top performance. Extra mileage is just one part of the top performance story. Super Shell's other ingredients complete the picture. Here's what they are and what they do. TCP* for power, mileage, longer plug life. Pentane mix - for fast "warm-up." Butane - for quick starts. Anti-knock mix - to resist all kinds of knock. Alkylate - to help control "high-speed knock." "Cat-cracked" gasoline - for power. Anti-icer - added in cold weather to help check carburetor icing stalls. Gum preventive - to help keep carburetors clean inside.

3 REASONS FOR FLAMELESS YEAR-ROUND
electric air-conditioning
(HOW MANY HAVE YOU?)

The long summer in a hot, muggy home is harder on wires and kids than on husbands who work in an air-conditioned place of business. Yet the new, improved air-conditioners cost less than ever before, can be had on easy terms, and are amazingly inexpensive to operate. For the price of a few bottles of pop, your home and family can be kept comfortable all day... a precious blessing! Cool, clear, dehumidified air is both beautiful and refreshing. Children are better, sleep better, are less irritable. Heat-caused fatigue and tension are eliminated. Filtered air blocks out dust and pollen, brings relief from allergies. Removal of excess moisture in the air helps prevent mildew damage. You can shut out street noises, too. And new year-round Electric Air-Conditioning brings eternal springtime into your home - cools in summer, warms in winter... really two comforts in one, from a single compact unit. Electric Air-Conditioning is flameless, dependable, tried and proven... enjoyed by a half-million of your Florida neighbors. See your electric appliance dealer or air-conditioning contractor now.

Mcllwain-Pitts Vows Said In Pahokee

MRS. SHEPPARD M. PITTS, JR., The First Methodist Church, Pahokee was the scene July 1 at 4 p. m. of the marriage of Miss Mary Harriet Mcllwain, daughter of Mr. and Mrs. Eugene Franklin Mcllwain, 617 Bacon Point Rd., Pahokee and Sheppard Miles Pitts, Jr., son of Mr. and Mrs. Sheppard Miles Pitts, Sr., 617 N. W. Ave. G, Belle Glade.

The couple said vows with the Rev. Robert A. Shelley, pastor, officiating before the altar decorated with arrangements of white mums and gladioli against a bank of palms and ferns.

Robert O. Lampl, soloist sang "With This Ring," "Because God Made You Mine" and "Wedding Prayer," accompanied by Miss Myra Jones at the organ.

Given in marriage by her father, the bride wore a formal gown of white tissue taffeta encircled with wide bands of Alençon lace on net and fashioned with a Basque waist. The elbow length veil of illusion fell from a crown of iridescent pearls. She carried a cascade of orchids with streamers of sweet heart roses.

Mrs. Chandler Mcllwain, sister-in-law of the bride was maid of honor in a gown of aqua lace over taffeta with matching organza overskirt. She carried a

nosegay of yellow sweet heart roses entwined with pearl drops. Bridesmaids, Miss Wynette Sheffield, Miss Cyndy Friend, Miss Shirley Kincaid and Miss Shirley Culbertson wore gowns and carried flowers identical to the honor attendant.

Miss Nancy Murdock, Miss Donna Shields, Miss Scottie Shields, Miss Karen Murdock all cousins of the bride, as junior bridesmaids, wore pastel dresses of organza over taffeta with lace jackets and carried nosegays.

Ronald E. Marlowe of Belle Glade served as best man. Ushers were Chandler Mcllwain, brother of the bride, Charles Hickman, Raymond Williams, and Jeff Thomas.

For her daughter's wedding Mrs. Mcllwain wore a pink lace over taffeta jacket dress and an orchid corsage. Mrs. Pitts, mother of the bridegroom wore a green lace over beige taffeta dress an orchid corsage.

A reception followed the ceremony in the social hall of the church. Assisting were: Mrs. Robert Myer, Mrs. Allan Fowler, Mrs. Charles Hickman and Miss Judy Platt. Mrs. Rupert Mook, Mrs. Elmer Jones and Mrs. Lewis Friend.

Among out of town guests at the wedding were Miss Mary

New Modern Belle Glade Alliance Church To Be Erected Here Soon

Architect's drawing of the new Belle Glade Alliance Church to be constructed in the North East Section.

For more than two years the Belle Glade Alliance Church has been meeting in the club house at City Park for their Sunday School and church services. Now in the very near future a beautiful church building will be erected at the corner of East Canal Street and 5th Street N. E. This is to be the permanent location for the Belle Glade Alliance Church.

The structure will have masonry walls with a decoration block screen at the front and a Sunday school wing to the east. The interior will show three laminated wood arches supporting a high pitched roof of Western red cedar finished in its natural color. The Sanctuary will seat 160 persons with room for a choir of twenty-five. The educational wing will handle a Sunday School of at least 125 students.

The name "Christian and Missionary Alliance" has become more familiar to many of our city as they learned of the foreign missionary work. The Society is doing in twenty-three different countries through 800 active missionaries.

The "Alliance" as it has been called, has a far larger church in foreign countries than here in the United States. There are 1,174 churches with 69218 members in the United States. On foreign soil we have 1,846 organized churches and 1,529 unorganized churches with a baptized membership of 133,878.

The Alliance celebrated its 75th Anniversary this year. The Belle Glade Alliance Church invited the public to attend its weekly services.

Rev. Storey To Preach At BG Alliance Church In Absence Of Pastor

In the absence of the pastor, Rev. Jack Edwards the pulp supply of the Belle Glade Alliance Church for July 15 for both the 11:00 a. m. and 7:45 p. m. services will be the Rev. H. Storey, Chaplain of the Glades Correctional Institution.

Mr. Richard Dupre, second-year Theology student at Nyack Missionary College will be speaking Sunday A. M. July 22 with Rev. Storey again speaking at the evening service.

The Edwards family will be away for a two-weeks vacation visiting Rev. Edwards' parents in Pittsburgh, Pennsylvania.

Helen Sloan Elected Miss Youth Camp 1962 At Camp Wimauna, Fla.

Helen Sloan of the Belle Glade Church of God, was elected "Miss Youth Camp of 1962" at the Church of God Junior and Senior Youth Camp held at Wimauna, Fla. July 2-7.

Miss Sloan was chosen for the honor out of 230 girls and was the most outstanding Christian girl camper.

The Belle Glade Church of God is proud of her and the young people attending. Seniors attending were: Glenda Tyler, Paye McBride, Sandra Wilson, Hughie Jones, Glenda Woodard, Shirley Walker, Carolyn Brandon. Juniors were: Alma Nell Douglas, Ward Sloan, Woody Brandon, Vanda Davis, Gail Davis, Susie Wilson, Butch Wil-

Belle Glade Witnesses To Send Record Delegations To Dist. Meet

E. W. Hooper

A record delegation will represent the Belle Glade Congregation of Jehovah's Witnesses at a three-day district convention scheduled for the Jai Alai Fronton in West Palm Beach, July 13-15.

Joseph P. Dixon, minister of the Belle Glade congregation, said nearly 50 members are expected to attend the statewide meeting.

20 States Represented
Dixon said requests for accommodations have been received from 20 states and the Bahamas Islands. Over 4,800 delegates are expected for the Bible conference.

"There have been requests for accommodations and information from as far as California," Dixon said, "and they still are pouring in from all over the country."

"Delegates will arrive by car, bus, train and plane for the convention," he said. "For example parking facilities are being arranged for over 1,000 automobile at the convention site."

Local Delegations
Dixon said delegations are attending from Clewiston, Okeechobee, Pahokee and Canal Point.

"We are sending the most delegates on record," Dixon concluded, "and the Glades area will be well represented at the regional convention."

Daily Recreation At Osceola Nursery

A varied and entertaining recreational program is being conducted every afternoon through out the summer by volunteer workers of the Church of the Brethren, at the Osceola Nursery building.

Director Mel Pentacost announces the daily program from 1 to 3:30 each afternoon including Sundays consists of check-outs of dominoes, checkers and scramble for the children's entertainment. Baseball, softball, badminton and Volley Ball are in play and a horseshoes tournament is now being planned for the last of July.

On rainy days the nursery building is open for recreation and supervised games are played with "Four Squares" a current very popular selection.

Other sports favored by the boys are High Jump and Pole Vault contests, which are supervised at all times, Pentacost said.

A most recent contest event was the Croquet Tournament held on June 29th and 20 young people participating. This proved very popular and it is expected will become a regular event.

Winners in the contest from ages ranging from 8 to 19 were: Fred Miller, first place winner; Garry Mann, second place; Wayne Bradley, third; Bud Mann, fourth place.

Ministerial Assn. Meets Monday At Adventist Ch.

The Belle Glade Area Ministerial Association will convene for its regular monthly meeting at the Seventh-day Adventist Church of Belle Glade, this next Monday, July 16, at 8:30 a. m. All Protestant clergymen, whether currently members or not, are invited to attend.

The Adventist Church is located at 1208 N. W. Avenue "D" South, just west of the county's Public Health Clinic.

Mrs. Ricky Kinsman left by plane Monday for Manchester, N. H. where she will continue her beautician work during the season at an exclusive resort, open only during the summer months. For the past months, she has been with Jet's Bay of Beauty in South Bay. She plans to return to Belle Glade in September.

J. W. Chaffredo

Director
J. W. Chaffredo, special traveling representatives of the Watchtower Bible and Tract Society, Brooklyn, New York, will deliver the principal address of the weekend meeting. The subject will be, "Take Courage—God's Kingdom is At Hand!"

Any interested persons are invited to attend. No collection is taken and all seats are free.
